Note from President

It has been a very busy year with lots of energy and effort done on getting the new website up and running. Many thanks to the members of the board for making that happen. Please take a look at the website www.wedgewood-ba.com and give us some thoughts/suggestions. We also are working on getting water and electricity to the entrances on 81st street and water to the entrances on Aspen. Garage Sale, dumpster, installation of Christmas lights, have happened because of the input from the board and the residents of Wedgewood. Please help us keep moving forward with ideas and suggestions to make this the best place to live in Broken Arrow.
