Note from the Board

Make no mistake, we are in the midst of some very trying times. Never in our lifetime have we experienced anything even remotely like what this country is going through as a result of this COVID-19 pandemic. We think most of us are in the same boat. Some of us may remember the great depression from your childhood or the sacrifices that were made by the country during WWII, and this may be as close, but this type of sacrifice is new to the majority of Americans. The disease has hit very close to home for a lot of people, as we are sure most of you know someone who has been infected or affected by the virus. Unfortunately, as with all catastrophes, there are those looking to make a profit off of the fear and suffering of others. Please remain vigilant and don't allow yourself to be victimized by those unfortunate individuals. With that being said, if anyone is quarantined or in dire need of something essential, please let us know. We will do what we can to help while still adhering to the CDC guidelines for social distancing. We can all lift up those who are affected in prayer. Remember those who have lost loved ones, those who are battling the virus, and those who are standing strong on the front lines to save lives! Be strong, stay safe, and remain confident that we will get through this together!!!
