THIS IS THE PLACE

The word is out that Wedgewood offers families attractive homes at affordable prices. Our addition provides easy access to shopping, churches, and expressways. Wedgewood offers a quiet, safe, and family-friendly environment with the highest quality schools available. These factors make Wedgewood attractive to families already living in the "Greater Tulsa" area and to those relocating from other parts of the country. So, spread the word; tell your friends everywhere what a great place we have in "Wedgewood, Broken Arrow."
