BROKEN ARROW DUMP DAY / WEDGEWOOD POOL CLEANUP DAY

The annual citywide spring cleaning day this year will be **Saturday, April 29**. Please watch for communication from the city regarding location and times. This will be a good opportunity to clean up the green belt. Plan to join in and get rid of the brush or trash that has accumulated over the past year. We will be cleaning up the pool that same day in anticipation of the season pool opening. We hope to have arranged a city dumpster to be present to serve both projects. Please come out and help. This is your neighborhood; its condition depends on your active help.

ENTRANCES

Plans are continuing for landscaping on Aspen at the Louisville and Oak Ridge entrances. Preliminary plans are underway for new brick signs on Houston at Oak and Poplar. **Bids are being accepted.** For more information, please contact your area representative. All work on the entrances will be dependent on the receipt of dues!

POOL PLANS

Plans are underway for another great summer at Wedgewood pool. Membership applications are attached. **Save money and sign-up before May 1.**

Applications are being accepted for Lifeguards – please contact Bill Coody for more information. **Deadline for Lifeguard applications is April 15.**

Wedgewood Pool will be an authorized provider of Red Cross swimming lessons this summer. Wedgewood residents will have “first opportunity” at registrations. Watch for more information.
