NEW SIGNS

Work is underway for the new signs along Houston (81st) Street at Poplar and Oak. As of this writing, city permits have been obtained, the holes have been dug, the re-bar is in place and the concrete is on its way for the footings. The mason has been selected and the bricks will be ordered in the next few days. Work on our entrances will go forward based on receipt of dues.

FROM YOUR CURRENT BOARD ...

... Thanks to those who have paid their HOA dues. You have been a part of making possible the area improvements that are benefiting the whole area. A special **“Thank you!”** is due to those who have also contributed many hours of labor helping with projects undertaken this year. These projects have created the opportunity to get to know our neighbors better and to enjoy the spirit of seeing the results.

***If you would like to be a part of the Wedgewood TEAM,
please contact any board member.
Everyone is welcome to join in.***

IT'S COMING...

Christmas, that is. We'll have our area lighting contest again. Stay tuned for details.
