CHRISTMAS LIGHTING CONTEST

Congratulations to our 2002 Christmas Lighting Contest Winners:

Best Overall – Charles & Patsy Marshall
913 S. Narcissus

Most Lights – Richard & Jane Rose
808 S. Poplar

Most Creative – Roger & Lori Hargrove
1212 S. Oak

Thank you to all who participated in making our neighborhood more attractive for the holiday season.

SPECIAL THANKS TO OUR GOOD NEIGHBORS

Charles and Patsy Marshall have donated their lighting contest prize of a 2003 Pool Membership to a family who would not be able to afford it.

Roger Hargrove has volunteered to help with watering the flowers at our entrances this year.

Craig Singleton will help repair the pool diving board.

If you have a "good neighbor" you would like to recognize, contact one of our board members.

2003 At the Pool

With the overnight lows in the teens, thinking about swimming pools is difficult. However, your board members are actively making plans for the 2003 pool season (Memorial Day through Labor Day).

First priority is the hiring of staff (pool manager, assistant pool manager, and lifeguards). If you, a family member, or a friend is interested in working at the pool this summer, please contact a board member before February 28.

Certified Pool Operator certification is required for manager positions and Red Cross certification is required for Lifeguard positions.

Wedgewood Covenant Copies

Would you like a copy of our Covenant, Bylaws, and Articles of Incorporation? If so, call Demory Green. The cost is $5.00 for a paper copy, $1.00 for a copy on disk, and free if you would like to receive as an email attachment.

CITY-WIDE DUMP DAY

Broken Arrow's annual Spring Cleanup Day is scheduled for May 3rd. IT'S FREE! So, make plans to gather your junk and deliver it to the City Maintenance Facility at 1700 W. Detroit. You can get rid of yard trash, furniture, appliances and even your husband's favorite old "holy" jeans.

CENTRAL MIDDLE SCHOOL

Come and meet with city officials, lawyers, and business representatives for a discussion of current issues regarding homeowners' associations.

- Zoning and development
- Inspections and code enforcement
- Legal and practical aspects of HOA operations
- Insurance and non-profit status

The workshop is free and open to the public. Light refreshments will be provided.

GREEN BELT

All of us share an interest in the appearance of our neighborhood as it has direct impact on the value of our most valuable asset – our homes.

So, a special thank you to those who were a part of this year's improvements to our entrances.

You can be an active participant in doing your part by maintaining the appearance of your home and yard. Recent requests to the board have included asking homeowners to –

? ***Please do not dump leaves and other yard trash in the Green Belt. It is causing drainage issues in some parts of the green belt including "water back-up" into neighbors' yards.***

? ***Please instruct your children to not damage trees in the green belt. Cutting trees and nailing lumber to trees qualifies as vandalism. We have had reports of trees being cut down – this is a violation of city ordinances and the offender can be arrested.***

If you are concerned about this issue or other issues in our neighborhood that have not been addressed, **call the City Action Line at 258-3587**. All calls to this number are handled anonymously.

Input Welcome

If you are proud of your children's accomplishments, know of something your neighbors' children have recently accomplished; or, if you just want to give your husband recognition for cleaning the garage, please feel free to let your Area Rep know and we will try to include it in the next WedgeWord.
