HOA Assessments

Thank you to the 81% who have paid their 2009-10 assessments.

- ☞ Make checks payable to **Wedgewood HOA**.
- ☞ If you have a medical or financial problem, please contact a board member and we will work with you on installment payments.

Thank You

Thank you to the 335 residents who have paid their HOA assessments this year. This is a great accomplishment and we are ahead of last year. However, there are still 74 residents who can help us reach 100%. Your assessment allows Wedgewood to maintain flowers at the main entrances and lawn care along Aspen, 81st, the park and pool areas. Weeds are decreasing as well due to weed control and fertilization services. This comes at a cost since we do not have volunteer lawn maintenance. Without these services, the Wedgewood addition would not be as attractive to prospective homebuyers, and I personally would be embarrassed for friends and family to visit if there were tall grass and weeds surrounding the neighborhood like the edition to the north of us. It is unfair for the 74 residents who have not paid their assessments to enjoy the services provided. So treat the 335 residents who have paid like you would like to be treated and get those assessments paid. It's the neighborly thing to do. I hope everyone had a great spring break and enjoyed the sunshine for most of the week.

Sincerely,
Rick Smith - President Wedgewood HOA

Garage Sale

Many have inquired about a spring garage sale. The Wedgewood spring garage sale will be Saturday May 1st. Happy selling!!

Pool Season - Reduced Rates for 2010

We are excited about this pool season. The pool will officially open Memorial Day weekend! May 28th and will close for general swim August 15th. However, pool rental will be available through Labor Day weekend. You will notice a reduction in membership prices. Pool rentals have already been booked; so if you are planning a pool party, reserve your space with Kayla A.S.A.P. Pool party fees have also been reduced. If your church group or club needs something to do, we can help. Swim lessons will be available again this year and I hear the instructor is amazing. . If you have any cool pool ideas, please, let us hear from you.

Hats off to Kayla, Wayne, Kylee and Baylea for cleaning the winter "stuff" out of the pool. We want this summer to be the best. I even think I might be able to talk Kayla into selling skittles at the concession stand this year but don't tell her.

Why I Love The Pool

Here is the first in a series of articles from some of the neighborhood youth. We appreciate such a great writer!

I love the Wedgewood pool because of how much fun I have there and the people I meet there!!! I enjoy playing with my little friends Jason and Raegan!! I also love all of the lifeguards at the pool like Wayne, Ashley, and Kylie. The pool is a safe and fun place to hang out with friends and to have a great time! If you want to have a great time the come to the Wedgewood pool!!!
