President Corner

We have made good progress on the entrances this year by replacing signs, adding electrical (i.e, X-Mas lights) to the islands and hiring a landscaper. We are currently looking at adding water to the islands to help maintain the islands. Additionally, we are looking at upgrading the website to a more user friendly and modern look. Please help us identify other areas in the neighborhood that need attention.

Participate

We are in need of several volunteers to assist in the month to month activities being proposed. We would like to consider an Advisory Board to assist the current Board which would eventually replace outgoing terms and become committee members.

We need secretarial skill, computer skills, landscaping skills, decorations, and various other assistance.

If you are interested we would appreciate your consideration
