CITIZENS ON PATROL

COP

The City of Broken Arrow has announced the new "Citizens On Patrol" program (COP). The city is looking for five homeowners associations to work with the Broken Arrow Police Department in this beta program. ATT Cellular is providing five cellular telephones and magnetic signs for the cars.

Wedgewood is the second homeowners association to respond and is expected to be selected as one of the beta Homeowner Associations. There will be some fees associated with the COP program for the Cellular phone. The activation fees have been waved. However, there will be a monthly fee for the phone. More details will be presented at the April Mayor's meeting with the homeowners associations. Bill Rogers will be attending the April Mayor's meeting representing Wedgewood.

We will need volunteers to patrol the neighborhood. If you are interested please indicate by checking the line on the membership form below.

SAFETY IN WEDGEWOOD

The COP program complements this years theme,

"Safety in Wedgewood"

We have received complaints about questionable activities of young people parking in the pool parking lot at night. To prevent this in the future, the Board of Directors approved the funds to build a gate for the entrance of the pool.

SUMMER FEST 97

If Homeowner membership improves, we plan to have a "Wedgewood Summer Festival" this year. This is in the planning stages, but some ideas are to have games for the kids, booths for crafts, FOOD, dollar day at the pool, a visit from the Broken Arrow Police Department, and a visit from the Broken Arrow Fire Department

WE NEED YOU TO HELP MAKE THIS A REALITY. JOIN THE HOMEOWNERS ASSOCIATION

If interested in helping with the neighborhood festival, indicate on the membership form.

MEMBERSHIP DRIVE

The 1997 Wedgewood Homeowners Association membership drive is underway. Membership is still only \$25.00 per year. With your membership dues,

we can repair the entrances. We plan to paint the signs. We want to plant new maintenance free shrubbery. The brickwork and fence sections are badly in need of repair. The entrances are the first thing people see as they enter or drive by our neighborhood.

Please help make Wedgewood look its best.

Last summer we purchased a new riding lawn mower to mow the borders around the neighborhood and the pool area. We will need volunteers again this year to mow. Please indicate if you can help.

JOIN THE ASSOCIATION

WEDGEWOOD POOL

Last season we had a successful year at the pool. We opened on time (remember the city was extremely late opening) and were able to remain open for two additional weekends beyond Labor Day.

Since we were successful last year, we are able to reduce the annual fee an average of 9% for residents. We once again will have an adult pool manager; Dave Franklin did a wonderful job last year and were are glad to have him again this year.
