## Now ...It's time to vote.

Some have been wondering what was happening with the effort to change the area covenants which govern the three Wedgewood areas. We've been waiting on the abstract company to get us the required certified owner list, a wait that has put us behind our intended schedule. Notary volunteers will be around shortly for your signatures. They will need to see an ID of some kind when you sign. Thanks for your help and cooperation in this. It will keep up the quality of our development and protect the value of our residences.

Remember, there are two changes in the proposal. They are: (1) Make membership in the homeowners association (HOA) mandatory, and (2) Allow detached tool sheds consistent with city code.

## 1998 Annual HOA Meeting Tuesday, Oct 20

The annual Wedgewood Homeowners Association meeting is going to be 7:30pm Tuesday, October 20<sup>th</sup> at Lynn Wood school. Everyone, please plan on being there. Because of the delay in getting the lists from the abstract company, signature gathering may run into our annual meeting, so it is doubly important that everyone be there if possible. Please come prepared to pay your 1998-1999 membership dues, still only \$25. See you there.
