## Wedgewood HOA Memberships Due

Any who have not paid 1999 memberships, please make checks payable to Wedgewood Homeowners Association, and send them to:

Wedgewood Homeowners Association  
PO Box 1696  
Broken Arrow, OK 74013-1696

1999 memberships were due at the October 1998 annual meeting, so if you haven't sent them in, they're overdue. Your cooperation will allow us to spend our energy on constructive improvements for the Wedgewood area.

## Entrances Targeted

One of the first targets for improvements will be the area entrances. The Aspen entrances will receive the first efforts, since they are in the worst condition, and the most visible.

## Pool Season Approaching

It won't be long before swimming season will be here. We again anticipate the pool opening on the Saturday of Memorial day weekend. Details of pool memberships are on the accompanying pool membership application form. Anyone interested in summer employment as a lifeguard at the pool, please contact Bill Coody. We will also need all the help we can get for pool cleanup & preparation. We've scheduled a cleanup day on Saturday, April 10. If you know you can help, call Bill Coody, otherwise whatever time you can spare will be greatly appreciated.

## Park Improvements

After talking with a city representative at our last annual meeting, our park is getting some well deserved attention from the city. Park benches have been replaced, and a new play system and swingsets are going to be installed soon.

## Updated Area Covenants

As part of the process for the covenants change, we had to get an official copy of county records of property owner names. This continually changes, as houses are bought and sold. With membership now required, it will be important for us to keep accurate records, and we could use your help. If you have bought a Wedgewood area property lately, could you give Demory Green a call at 258-4461 and leave your name and address to make sure our records have been accurately updated? Or if you prefer, send an e-mail to [greenhse@ionet.net](mailto:greenhse@ionet.net). Doing this on a continuing basis would be a great help. This information is not made available to anyone externally; it is only to help us make the necessary communications with you.

Copies of the amended covenants will be available to all Wedgewood residents who have paid their HOA membership. We'll need to know which area you're in (*see map on back*.) Contact Demory Green or Bill Coody.

## Help Needed

To maximize the effectiveness of our area improvement efforts, we will need some help in several areas.

Mowing - We need someone to coordinate the mowing, and we need people to do the mowing. Call Bill Coody.

Pool operation & repairs - Call Bill Rogers

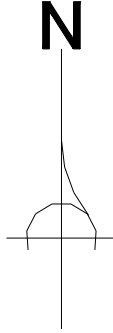

Entrance repairs - We need someone with some masonry & landscaping expertise. Call Bill Coody

Just having membership required doesn't mean everything automatically gets done without any effort. If you can help in these areas, please communicate with any board member.

## Area Map

As a convenience, a copy of a map of Wedgewood area is included here to help everyone know their area.
