Note from the President

Hello fellow Wedgewood Homeowners. I will try to keep my note short this time. I just need to make you aware of three items this quarter.

1st - Area 4 Vacancy: Unfortunately, one of our board members had to relocate earlier this year, so that leaves a vacancy for the area 4 representative. We are looking to fill that position with someone who is willing to spend just a couple of hours a month to help keep our neighborhood going strong. The commitment would be for the remainder of 2023 and then through November of 2024. Think you might be interested? Email us at contact@wedgewood-ba.com or speak to any current board member.

2nd - Entrances: We have completed the rebuild of the structures at the two neighborhood Aspen entrances. If you haven't been by those yet, I encourage you to drive by and take a look. We are now searching for a Landscape Company to put the finishing touches on the project by adding some shrubs and flowering plants in front of them to further beautify our neighborhood entrances.

3rd - Go Green Initiative: To date, 70 households, or 16.7% of Wedgewood homeowners have joined the Go Green initiative. They are now receiving their quarterly WedgeWord newsletters, special event notices, etc. via email. This is a great start, but we would like to see more of you join the group! Signing up is simple. The easiest way is to visit the Wedgewood website at www.wedgewood-ba.com and select Go Green! from the home page. Fill in the information on the Electronic Edition sign up page and press submit. Or you can send us an email to contact@wedgewood-ba.com with "Go Green" as the subject line. Give us your name, street address and full email address in the body of the email. That's all there is to it! When you add your name to the list, you will be entered into a quarterly drawing for a \$25.00 gift card. Each quarter, we randomly draw three names from the list to receive the gift cards. You could be a winner, and, you are helping the environment by using less paper, cutting down on waste, and keeping our printing and mailing costs down! That's a win, win in my book.

Congratulations "Go Green Winners"
